With call & response singing and syncopated hand-clapping, Scott presents a fast-moving tour of many of the songs students encounter in their music classes: early spirituals, work songs, Ragtime and Delta Blues. Playing his fretless gourd banjo, one-string diddley bow, acoustic and slide guitars, Scott makes the learning fun. Peppered with humor and stories, Scott's teaching concert is tailored to grade level to help students listen for the influences of the music they hear today all around them.
